Arorp Housing

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter unless otherwise specified.

Only report on people who stayed in ARORP-funded beds unless specified.

Number of ARORP-funded beds in your facility How many physical ARORP-funded beds (whether they are full or not) are in your facility?	12
Number of people who have stayed in long-term, ARORP-funded recovery beds this quarter. Example: There were five residents already in ARORP-funded beds when the quarter began. During the quarter, there were five new intakes. Two people left. Count 10.	23
From the question above, the number of people who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice. Example: For the 10 residents in the example above, 7 had historically misused opioids. Count 7.	18
Number of NEW intakes who began to stay in long-term, ARORP-funded recovery beds this quarter Example: There were five new intakes into ARORP-funded beds this quarter. Count 5.	_____
From the question above, the number of new intakes who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice. Example: Of the five new intakes in the example above, 3 historically misused opioids. Count 3.	_____
Number of families who were reunited this quarter Count people who have reestablished a relationship with their family this quarter. Do not count people who already had a working relationship with their family coming into this quarter.	4
Number of people who received respite housing in ARORP-funded beds this quarter Count individuals who received respite housing (a stay approximately two weeks or less) while waiting to transition to treatment, mental health services, long-term recovery housing, etc.	_____

From the question above, the number of people receiving respite housing who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	_____
What was the highest number of people in ARORP-funded beds during this quarter? Example: If there are 10 ARORP-funded beds and all 10 were full one night, then count 10.	_____
How many people were in ARORP-funded beds on the last day of the quarter?	_____

The following questions ask about the people who left your facility this quarter. Please only report on individuals in ARORP-funded beds.

Number of people in ARORP-funded beds who moved to next phase of the program (and into a non-ARORP-funded bed), but not leave the facility	_____
Total number of people staying in ARORP-funded beds who left your facility this quarter (discharged by organization, voluntarily withdrew, graduated, or relapsed)	11
Number of people who left the facility after staying in an ARORP-funded bed because they graduated the program this quarter Example: Resident John Doe stayed in an ARORP-funded bed for 12 months, then graduated the program and left the facility. Resident Jane Doe stayed in an ARORP-funded bed for 6 months for Phase 1, then moved to Phase 2 of the program for 6 months (and into a non-ARORP funded bed), then graduated the program and left the facility. Resident Jim Doe graduated, but never stayed in an ARORP-funded bed. Count John and Jane, because both graduated and stayed in ARORP-funded beds for a portion of the program. Do not count Jim.	_____
Number of people staying in ARORP-funded beds who left because they were dismissed for rule violation this quarter	_____
Number of people staying in ARORP-funded beds who left because they returned to use this quarter	_____
Number of people staying in ARORP-funded beds who left because they needed a higher level of care this quarter	_____
Number of people staying at ARORP-funded beds who left because they voluntarily withdrew this quarter	_____

From the question above, why did people voluntarily withdraw this quarter?	_____

For the next two questions, you will report on the people in BOTH ARORP-funded and non-ARORP-funded beds in your facility.

Number of people who have stayed in your long-term recovery facility this quarter (Both ARORP-funded and non-ARORP-funded beds) If your organization has multiple campuses in Arkansas, count people in all campuses.	23
Number of BOTH ARORP-funded and non-ARORP-funded beds you have in your facility If your organization has multiple campuses in Arkansas, count beds in all campuses.	12

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP funded a peer support specialist for your organization, ONLY report on people who were served by the peer. If ARORP funded housing for your organization, ONLY report on people in ARORP-funded beds unless otherwise specified.

Number of unique individuals receiving recovery services this quarter For all questions, only count people served by ARORP funding.	23
From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	18
Number of people who are NEW to your organization who began receiving services this quarter	_____
From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	_____
Number of people who your organization helped find a job this quarter Do not include people who already had a job.	12
Number of people who your organization helped find housing this quarter Do not count people who already had housing. If you have ARORP-funded beds, do not count people placed in those beds to avoid duplication.	6
Number of people who your organization helped receive health insurance this quarter Do not count people who already had health insurance.	8
Number of people who received official documentation (for example, a driver's license, birth certificate, or social security card) this quarter If an individual received more than one type of documentation this quarter, only count them once.	5

Number of education class sessions (for example, anger management or parenting) your organization held this quarter Ex: If you hosted an anger management class every week for three weeks, you would answer (3).	20
From the question above, list the type of class and the number of sessions held this quarter. Ex: Anger Management - 3, Life Skills - 8	_____
Number of people who attended any education class listed above. If one person attended three classes, count (3).	_____
Number of people connected with supportive services such as SNAP, TANF, WIC, HEAP, Head Start this quarter If one person receives more than one service, only count them once. Include government support services or services from a non-profit, foundation, or charity.	10
Number of mental health referrals to a licensed provider this quarter	7
Number of those referred who received mental health services from a licensed provider this quarter	_____
Number of referrals to treatment for substance misuse this quarter	5
Number of those referred who received treatment for substance misuse this quarter	_____
Number of people who received court advocacy this quarter	4
Number of group substance misuse recovery meetings hosted by your organization this quarter Ex: If your organization hosted a weekly Smart Recovery meeting for three weeks, count (3).	22
Number of people who attended group recovery meetings hosted by your organization this quarter If one person attended three meetings, count them each time they attended a meeting (3).	_____
Number of one-on-one peer support specialist meetings provided this quarter Ex: If one person met with the peer support specialist five times, count (5) here.	110
Number of individuals who attended a one-on-one meeting with a peer support specialist this quarter Ex: If one person met with the peer support specialist five times, count (1) here.	_____
