Partnership

What were some successes and challenges with your project?

Successes:

- Reunification and family healing. Some mothers were reunited with their children. Some women successfully completed the program and reintegrated back into society. Many women graduated and went into transitional housing. Emotional and spiritual healing.

Challenges:

- Recruitment has been a challenge. There are many housing programs available.
- John 3:16 is not a medical facility, so some women cannot be treated who are on certain types of medications. Most antipsychotics are not allowed.

Is there anything ARORP could do differently to make your partnership more successful?

- Not at the moment.
