

ARORP 2ND SET OF MILESTONES

6/2023

NEA divine Intervention opened in January, since then we have hired one Peer Supervisor and three Peer Support Specialists. Divine offers workforce development opportunities. Since onboarding, peers have gotten CE's through Midsouth Webinars attended The Me Over Meth Conference in Batesville, Jonesboro, the Diversity Conference in Little Rock, Dare to be Different Conference, etc. We provide mentorship and guidance through one on one peer support. We have also partnered with Goodwill Career Services, WorkForce, several staffing companies and other entities to help.

Divine Recovery support programs consist of Peer Support, self help groups, art therapy, narcan training, prevention, treatment placement, resources etc. We have had 38 All Recovery groups, 4 Art Therapy groups, 13 Narcan Trainings, 1 Trauma informed, 3 STD testing events, 3 Financial Literacy Classes and 3 Blue Cross Blue Shield events, not including other services we help with.

Supportive Services that are offered through Divine are emergency shelters at The Haven Motel. We partnered with JPD and The Haven to provide temporary shelter for peers that's going to treatment the following day are homeless peers that we're helping with housing. We also assist with funding for ID's, License, Birth Certificates and some housing applications. With our partnership with CRDC we have been able to help 6 homeless peers get housing, move in and have helped with some essentials.

Budget

With the help of the community we have been able to save some funding on certain things such as transportation, advertisement, recovery literature, and supportive services. Divines have exhausted the most funds towards Maintenance/Operation and Advertisement. Reasoning: paid lease upfront for the year and utilities are paid when due. We are working on more donations towards advertisements and sustainability.
