

# ARORP Arkansas Opioid Recovery Partnership

Proposal Number	Organization/Project	Reason(s) for Denial	Requested funding amount
22-017	NEEARC Peer Support Program	<ol style="list-style-type: none"> <li>1.) The proposal supplants current funding utilized for your program.</li> <li>2.) The proposal does not define opioid abatement nexus as required for funding.</li> <li>3.) The proposal does not expand the current program.</li> <li>4.) Proposal not approved by the County Judges and other Mayors in other outlined targeted areas. (Only Izard and Craighead were submitted)</li> </ol>	\$1,806,883.76
23-020	SOZO Addiction Recovery Center Inc.	<ol style="list-style-type: none"> <li>1.) The proposal budget has excessive construction costs.</li> <li>2.) The proposal budget does not detail specific construction cost justifications as requested.</li> <li>3.) The proposal plan costs exceed the reasonable expectation of the number of beds to be provided.</li> <li>4.) The high requested budget amount to ARORP is too great of a risk as a 100 percent funder of the proposed project.</li> <li>5.) We note that the operating budget you have submitted anticipates annual profit of over \$1.5M from the facility if constructed and opened, so there appears to be flexibility for SOZO to self-fund or obtain a loan (or both) to cover the bulk of the project cost.</li> </ol>	\$7,771,981.00
23-025	Behavioral Health Group	<ol style="list-style-type: none"> <li>1.) Your sustainability plan is insufficient. For example, it does not include a referral ability or education and assistance to patients to Arkansas Works, which could help rectify issues with those that are uninsured or under-insured.</li> <li>2.) The State has funding available through DHS for uninsured and underinsured</li> </ol>	\$329,000.00
