

Proposal Salary Ranges

Some proposals submitted to ARORP include new staff relevant to opioid abatement, like a prevention specialist, peer recovery specialist, or combination of the two. Here are common salary ranges for these positions recommended by ARORP.

Peer Recovery Specialist

The following are base salary ranges with a high school diploma or GED. If the applicant has a Bachelor's Degree, then they should receive \$2,000 in addition to the base salary. If the applicant has a Master's Degree, they should receive \$4,000 in addition to the base salary.

Peer in Training - \$28,000 + Fringe

CORE Peer Specialist - \$30,000 + Fringe

Advanced Peer - \$35,000 + Fringe

Peer Supervisor - \$40,000 + Fringe

Prevention Recovery Specialist

Prevention Specialist (Bachelor's Required)- \$36,000 + Fringe

Prevention Specialist II (Bachelor's Required) - \$40,000 + Fringe

Prevention Specialist III (Master's Required) - \$45,000 + Fringe

Prevention Specialist IV (Master's Required) - \$50,000 + Fringe
