

## Proposal Salary Ranges

Some proposals submitted to ARORP include new staff relevant to opioid abatement, like a prevention specialist, peer recovery specialist, or combination of the two. Here are common salary ranges for these positions recommended by ARORP.

### Peer Recovery Specialist

The following are base salary ranges with a high school diploma or GED. If the applicant has a Bachelor's Degree, then they should receive \$2,000 in addition to the base salary. If the applicant has a Master's Degree, they should receive \$4,000 in addition to the base salary.

- \*Peer in Training - \$30,000 + Fringe
- CORE Peer Specialist - \$34,000 + Fringe
- Advanced Peer - \$39,000 + Fringe
- Peer Supervisor - \$44,000 + Fringe

*\*Arkansas State Certified Peer levels paid by ARORP for projects submitted after July 1, 2024.*

### Prevention Specialist

- Prevention Specialist (Bachelor's Required)- \$40,000 + Fringe
- Prevention Specialist II (Bachelor's Required) - \$44,000 + Fringe
- Prevention Specialist III (Master's Required) - \$50,000 + Fringe
- Prevention Specialist IV (Master's Required) - \$55,000 + Fringe

*\*Arkansas Prevention Certification Board levels paid by ARORP for projects submitted after July 1, 2024.*
