ARORP23-080 First NLR Care & Recovery

Note on Annotated Milestones

ARORP23-080 First NLR Care & Recovery did not submit annotated milestones to ARORP through the Redcap system. Based on reports submitted, naloxone trainings were conducted and reports were submitted to ARORP. However, reporting was not completed for this project. ARORP23-080 was contacted to request additional reporting. Annotated milestones could not be completed by ARORP on behalf of the organization due to incomplete information.
