# Arorp Overdose Response

Please complete the survey below.

Thank you!

Response was added on 03/30/2024 1:49am.

## (For this project in this quarter)

Counties where the overdoses occurred (for example, Benton - 3)      Sharp, Lawrence, Randolph, and Jackson

Number of fatal overdoses      0

Number of non-fatal overdoses      2

Number of fatal and non-fatal overdoses related to opioid use      2

Number of people referred to treatment      2

Number of those referred who received treatment      1

Number of referrals to mental health services      0

Number of people referred to recovery      0

Number of naloxone saves      0

Number of cases opened      2

Number of cases closed      2

Please briefly explain why cases were closed      Subjects referred to treatment for suicidal ideations.

Number of one-on-one peer support meetings with families of overdose victims      0

Number of one-on-one peer support meetings with overdose victims      2

Number of arrests      2
