Arorp Treatment

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP provided funding for detox beds, only report services provided to people in those beds.

Number of unique people who received treatment services this quarter.	40
---	----

From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	4
---	---

Number of new admissions this quarter The number of people who began receiving treatment services at your facility. Do not count people who did an intake but did not enter the program.	40
---	----

From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	4
---	---

Number of people who discontinued treatment before completing their treatment plan	8
--	---

How many people successfully completed their treatment plan and were discharged this quarter	25
--	----

ARORP-funded Treatment and Detox Beds

Number of people who completed medical detox in an ARORP-funded bed this quarter	0
--	---

Number of people who completed medical detox from opioids in an ARORP-funded bed this quarter	0
---	---

Number of people who were admitted to residential treatment in an ARORP-funded bed this quarter	40
---	----

From the question above, the number of people admitted to residential treatment who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	4
---	---

Number of people who successfully completed residential treatment in an ARORP-funded bed this quarter	25
---	----

Number of people who left an ARORP-funded residential treatment bed this quarter before completing their treatment plan	5
---	---

Number of people who were still in residential treatment in an ARORP-funded bed at the end of the quarter	13
---	----

Treatment and Detox Services Provided

Number of times a neurostimulation device (for example, a bridge device) was provided	0
---	---

Number of people who received a neurostimulation device	0
---	---

Number of times Medication-Assisted Treatment (MAT) was provided	29
--	----

Ex: If one person attended three appointments for MAT, count (3).

Number of people who received MAT services	2
--	---

Number of case management appointments held with clients	25
--	----

Ex: If a case manager meets with a client three times, count (3).

Number of people who received case management services	25
--	----

Number of times people met with a licensed mental health provider	22
---	----

Number of people who met with a licensed mental health provider	20
---	----

Number of times group mental health counseling was provided by a licensed mental health provider	15
--	----

Ex: If six group meetings were held, count (6).

Number of people who received group counseling from a licensed mental health provider	40
---	----

Ex: If one person attended three sessions, count (1).

Age (for all people receiving ARORP treatment services)

Report the demographics of all unique individuals receiving treatment services this quarter. The total from this section should match the number of unique individuals receiving treatment services this quarter.

Arorp Recovery

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP funded a peer support specialist for your organization, ONLY report on people who were served by the peer. If ARORP funded housing for your organization, ONLY report on people in ARORP-funded beds unless otherwise specified.

Number of unique individuals receiving recovery services this quarter	40
---	----

For all questions, only count people served by ARORP funding.

From the response above, how many of those people are in recovery for historic or current opioid misuse	4
---	---

Opioids do not need to be the individual's primary drug of choice.

Number of people who are NEW to your organization who began receiving services this quarter	40
---	----

From the response above, how many of those people are in recovery for historic or current opioid misuse	4
---	---

Opioids do not need to be the individual's primary drug of choice.

Number of people who your organization helped find a job this quarter Do not include people who already had a job.	0
---	---

Number of people who your organization helped find housing this quarter Do not count people who already had housing. If you have ARORP-funded beds, do not count people placed in those beds to avoid duplication.	3
---	---

Number of people who your organization helped receive health insurance this quarter Do not count people who already had health insurance.	4
--	---

Number of people who received official documentation (for example, a driver's license, birth certificate, or social security card) this quarter If an individual received more than one type of documentation this quarter, only count them once.	0
--	---

Number of education class sessions (for example, anger management or parenting) your organization held this quarter 254
 Ex: If you hosted an anger management class every week for three weeks, you would answer (3).

From the question above, list the type of class and the number of sessions held this quarter. n/a
 Ex: Anger Management - 3, Life Skills - 8

Number of people who attended any education class listed above. 880

If one person attended three classes, count (3).

Number of people connected with supportive services such as SNAP, TANF, WIC, HEAP, Head Start this quarter 0
 If one person receives more than one service, only count them once. Include government support services or services from a non-profit, foundation, or charity.

Number of mental health referrals to a licensed provider this quarter 0

Number of those referred who received mental health services from a licensed provider this quarter 0

Number of referrals to treatment for substance misuse this quarter 0

Number of those referred who received treatment for substance misuse this quarter 0

Number of people who received court advocacy this quarter 0

Number of group substance misuse recovery meetings hosted by your organization this quarter 254
 Ex: If your organization hosted a weekly Smart Recovery meeting for three weeks, count (3).

Number of people who attended group recovery meetings hosted by your organization this quarter 880
 If one person attended three meetings, count them each time they attended a meeting (3).

Number of one-on-one peer support specialist meetings provided this quarter 145

Ex: If one person met with the peer support specialist five times, count (5) here.

Number of individuals who attended a one-on-one meeting with a peer support specialist this quarter n/a
 Ex: If one person met with the peer support specialist five times, count (1) here.

Age (for all people receiving ARORP recovery services)

Report the age of all unique individuals receiving recovery services this quarter. The total from this section should match the total number of unique individuals receiving recovery services this quarter.

Treatment By County

Please complete the survey below.

Thank you!

Please give the total number of individuals served FOR EACH county where people receiving treatment services are living. Please complete one survey for each county you wish to report.

To continue reporting number of persons receiving treatment per county, please select "Save & Add New Instance." For example, if there are persons living in Lonoke, Prairie, and Monroe counties who receive treatment, you will complete 3 forms total.

When you have no other counties to report, select Save & Exit form.

Please select the county from which people receiving treatment services live. Select one county from the drop-down menu.

- Arkansas County
- Ashley County
- Baxter County
- Benton County
- Boone County
- Bradley County
- Calhoun County
- Carroll County
- Chicot County
- Clark County
- Clay County
- Cleburne County
- Cleveland County
