Please only report on ARORP-funded services provided this quarter.

For example, if ARORP funded a peer support specialist for your organization, ONLY report on people who were served by the peer. If ARORP funded housing for your organization, ONLY report on people in ARORP-funded beds unless otherwise specified.

Number of unique individuals receiving recovery services this quarter 38

For all questions, only count people served by ARORP funding.

From the response above, how many of those people are in recovery for historic or current opioid misuse 12

Opioids do not need to be the individual's primary drug of choice.

Number of people who are NEW to your organization who began receiving services this quarter _____

From the response above, how many of those people are in recovery for historic or current opioid misuse _____

Opioids do not need to be the individual's primary drug of choice.

Number of people who your organization helped find a job this quarter 13
Do not include people who already had a job.

Number of people who your organization helped find housing this quarter 8
Do not count people who already had housing. If you have ARORP-funded beds, do not count people placed in those beds to avoid duplication.

Number of people who your organization helped receive health insurance this quarter 13
Do not count people who already had health insurance.

Number of people who received official documentation (for example, a driver's license, birth certificate, or social security card) this quarter 13
If an individual received more than one type of documentation this quarter, only count them once.

Number of education class sessions (for example, anger management or parenting) your organization held this quarter Ex: If you hosted an anger management class every week for three weeks, you would answer (3).	24
--	----

From the question above, list the type of class and the number of sessions held this quarter.
Ex: Anger Management - 3, Life Skills - 8

Number of people who attended any education class listed above.

If one person attended three classes, count (3).

Number of people connected with supportive services such as SNAP, TANF, WIC, HEAP, Head Start this quarter If one person receives more than one service, only count them once. Include government support services or services from a non-profit, foundation, or charity.	38
