

Arorp Housing

Please complete the survey below.

Thank you!

Response was added on 06/14/2024 7:52pm.

(For this project in this quarter)

Number of people who have stayed in your facility this quarter (Both ARORP-funded and non-ARORP funded beds)	8
Number of people who have stayed in ARORP-funded beds this quarter	22
Number of beds you have in your facility (Both ARORP-funded and non-ARORP funded)	22
Number of ARORP-funded beds you have in your facility	8
Number of people who have stayed in ARORP-funded beds who have an opioid nexus	3
Number of families who were reunited this quarter	0
Number of people who left your facility this quarter (discharged by organization, voluntarily withdrew, graduated, or relapsed)	4
Please give a brief reason why people left your facility	Services were completed and solutions were found.

Age (for all people receiving ARORP housing services)

0 to 11	0
12 to 17	0
18 to 25	1
26 to 44	6
45 to 64	1

Arorp Housing

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter unless otherwise specified.

Only report on people who stayed in ARORP-funded beds unless specified.

Number of people who have stayed in long-term,
ARORP-funded recovery beds this quarter 9

From the question above, the number of people who are
in recovery for historic or current opioid misuse 3
Opioids do not need to be the individual's primary
drug of choice.

Number of NEW intakes who began to stay in longterm,
ARORP-funded recovery beds this quarter _____

From the question above, the number of new intakes who
are in recovery for historic or current opioid misuse _____
Opioids do not need to be the individual's primary
drug of choice.

Number of families who were reunited this quarter 0
Count people who have reestablished a relationship
with their family this quarter. Do not count people
who already had a working relationship with their
family coming into this quarter.

Number of people who received respite housing in
ARORP-funded beds this quarter _____
Count individuals who received respite housing (a stay
approximately two weeks or less) while waiting to
transition to treatment, mental health services,
long-term recovery housing, etc.

From the question above, the number of people
receiving respite housing who are in recovery for
historic or current opioid misuse _____
Opioids do not need to be the individual's primary
drug of choice.

Number of ARORP-funded beds in your facility 22

How many physical ARORP-funded beds (whether they are
full or not) are in your facility?

The following questions ask about the people who left your facility this quarter. Please only report on individuals in ARORP-funded beds.

Total number of people staying in ARORP-funded beds who left your facility this quarter (discharged by organization, voluntarily withdrew, graduated, or relapsed) 7

Number of people staying in ARORP-funded beds who left because they graduated this quarter _____

Number of people staying in ARORP-funded beds who left because they were discharged from your facility this quarter _____

Number of people staying in ARORP-funded beds who left because they returned to use this quarter _____

Number of people staying in ARORP-funded beds who left because they needed a higher level of care this quarter _____

Number of people staying at ARORP-funded beds who left because they voluntarily withdrew this quarter _____

For the next two questions, you will report on the people in BOTH ARORP-funded and non-ARORP-funded beds in your facility.

Number of people who have stayed in your long-term recovery facility this quarter (Both ARORP-funded and non-ARORP-funded beds) 9
If your organization has multiple campuses, only report on the campus(es) where ARORP-funded beds are located.

Number of BOTH ARORP-funded and non-ARORP-funded beds you have in your facility 22

If your organization has multiple campuses, only report on the campus(es) where ARORP-funded beds are located.

Arorp Recovery

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP funded a peer support specialist for your organization, ONLY report on people who were served by the peer. If ARORP funded housing for your organization, ONLY report on people in ARORP-funded beds unless otherwise specified.

Number of unique individuals receiving recovery services this quarter 143

For all questions, only count people served by ARORP funding.

From the response above, how many of those people are in recovery for historic or current opioid misuse 22

Opioids do not need to be the individual's primary drug of choice.

Number of people who are NEW to your organization who began receiving services this quarter _____

From the response above, how many of those people are in recovery for historic or current opioid misuse _____

Opioids do not need to be the individual's primary drug of choice.

Number of people who your organization helped find a job this quarter 11
Do not include people who already had a job.

Number of people who your organization helped find housing this quarter 42
Do not count people who already had housing. If you have ARORP-funded beds, do not count people placed in those beds to avoid duplication.

Number of people who your organization helped receive health insurance this quarter 27
Do not count people who already had health insurance.

Number of people who received official documentation (for example, a driver's license, birth certificate, or social security card) this quarter 49
If an individual received more than one type of documentation this quarter, only count them once.

Number of education class sessions (for example, anger management or parenting) your organization held this quarter Ex: If you hosted an anger management class every week for three weeks, you would answer (3).	76
--	----

From the question above, list the type of class and the number of sessions held this quarter.
Ex: Anger Management - 3, Life Skills - 8

Number of people who attended any education class listed above.

If one person attended three classes, count (3).

Number of people connected with supportive services such as SNAP, TANF, WIC, HEAP, Head Start this quarter If one person receives more than one service, only count them once. Include government support services or services from a non-profit, foundation, or charity.	23
--	----

Number of mental health referrals to a licensed provider this quarter	34
---	----

Number of those referred who received mental health services from a licensed provider this quarter

Number of referrals to treatment for substance misuse this quarter	97
--	----

Number of those referred who received treatment for substance misuse this quarter

Number of people who received court advocacy this quarter	19
---	----

Number of group substance misuse recovery meetings hosted by your organization this quarter Ex: If your organization hosted a weekly Smart Recovery meeting for three weeks, count (3).	39
--	----

Number of people who attended group recovery meetings hosted by your organization this quarter
If one person attended three meetings, count them each time they attended a meeting (3).

Number of one-on-one peer support specialist meetings provided this quarter	97
---	----

Ex: If one person met with the peer support specialist five times, count (5) here.

Number of individuals who attended a one-on-one meeting with a peer support specialist this quarter
 Ex: If one person met with the peer support specialist five times, count (1) here.

Age (for all people receiving ARORP recovery services)

Arorp Treatment

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP provided funding for detox beds, only report services provided to people in those beds.

Number of unique people who received treatment services this quarter. 134

From the response above, how many of those people are in recovery for historic or current opioid misuse
Opioids do not need to be the individual's primary drug of choice. 34

Number of new admissions this quarter
The number of people who began receiving treatment services at your facility. Do not count people who did an intake but did not enter the program.

From the response above, how many of those people are in recovery for historic or current opioid misuse
Opioids do not need to be the individual's primary drug of choice.

Number of people who discontinued treatment before completing their treatment plan

How many people successfully completed their treatment plan and were discharged this quarter

ARORP-funded Treatment and Detox Beds

Number of people who completed medical detox in an ARORP-funded bed this quarter 0

Number of people who completed medical detox from opioids in an ARORP-funded bed this quarter

Number of people who were admitted to residential treatment in an ARORP-funded bed this quarter

From the question above, the number of people admitted to residential treatment who are in recovery for historic or current opioid misuse
Opioids do not need to be the individual's primary drug of choice.

Number of people who successfully completed residential treatment in an ARORP-funded bed this quarter

Number of people who left an ARORP-funded residential treatment bed this quarter before completing their treatment plan

Number of people who were still in residential treatment in an ARORP-funded bed at the end of the quarter

Treatment and Detox Services Provided

Number of times a neurostimulation device (for example, a bridge device) was provided

0

Number of people who received a neurostimulation device

Number of times Medication-Assisted Treatment (MAT) was provided

0

Ex: If one person attended three appointments for MAT, count (3).

Number of people who received MAT services

Number of case management appointments held with clients

383

Ex: If a case manager meets with a client three times, count (3).

Number of people who received case management services

Number of times people met with a licensed mental health provider

568

Number of people who met with a licensed mental health provider

Number of times group mental health counseling was provided by a licensed mental health provider

134

Ex: If six group meetings were held, count (6).

Number of people who received group counseling from a licensed mental health provider

Ex: If one person attended three sessions, count (1).

Age (for all people receiving ARORP treatment services)

Report the demographics of all unique individuals receiving treatment services this quarter. The total from this section should match the number of unique individuals receiving treatment services this quarter.

0 to 11	1
12 to 17	7
18 to 25	7
26 to 44	91
45 to 64	27
65 plus	1
Unknown Age	0

Gender (for all people receiving ARORP treatment services)

Report the demographics of all unique individuals receiving treatment services this quarter. The total from this section should match the number of unique individuals receiving treatment services this quarter.

Male	41
Female	92
Non-Binary	0
Unknown Gender	1

Race (for all people receiving ARORP treatment services)

Report the demographics of all unique individuals receiving treatment services this quarter. The total from this section should match the number of unique individuals receiving treatment services this quarter.

White	111
Black or African American	5
Asian	1
Native American	2
Tribal Affiliation	unknown

Pacific Islander	0
Unknown Race	10
Other Race/Multi-Racial (please specify)	5
Please specify which race	unknown

Ethnicity (for all people receiving ARORP treatment services)

Report the demographics of all unique individuals receiving treatment services this quarter. The total from this section should match the number of unique individuals receiving treatment services this quarter.

Hispanic	3
Non-Hispanic	131

Arorp Treatment

Please complete the survey below.

Thank you!

Please only report on ARORP-funded services provided this quarter.

For example, if ARORP provided funding for detox beds, only report services provided to people in those beds.

Number of unique people who received treatment services this quarter.	116
---	-----

From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	77
---	----

Number of new admissions this quarter The number of people who began receiving treatment services at your facility. Do not count people who did an intake but did not enter the program.	37
---	----

From the response above, how many of those people are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	29
---	----

Number of people who discontinued treatment before completing their treatment plan	24
--	----

How many people successfully completed their treatment plan and were discharged this quarter	8
--	---

ARORP-funded Treatment and Detox Beds

Number of people who completed medical detox in an ARORP-funded bed this quarter	0
--	---

Number of people who completed medical detox from opioids in an ARORP-funded bed this quarter	0
---	---

Number of people who were admitted to residential treatment in an ARORP-funded bed this quarter	0
---	---

From the question above, the number of people admitted to residential treatment who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	0
---	---

Number of people who successfully completed residential treatment in an ARORP-funded bed this quarter	0
---	---

Number of people who left an ARORP-funded residential treatment bed this quarter before completing their treatment plan	0
---	---

Number of people who were still in residential treatment in an ARORP-funded bed at the end of the quarter	0
---	---

Treatment and Detox Services Provided

Number of times a neurostimulation device (for example, a bridge device) was provided	0
---	---

Number of people who received a neurostimulation device	0
---	---

Number of times Medication-Assisted Treatment (MAT) was provided	0
--	---

Ex: If one person attended three appointments for MAT, count (3).

Number of people who received MAT services	0
--	---

Treatment By County

Please complete the survey below.

Thank you!

Please give the total number of individuals served FOR EACH county where people receiving treatment services are living. Please complete one survey for each county you wish to report.

To continue reporting number of persons receiving treatment per county, please select "Save & Add New Instance." For example, if there are persons living in Lonoke, Prairie, and Monroe counties who receive treatment, you will complete 3 forms total.

When you have no other counties to report, select Save & Exit form.

Please select the county from which people receiving treatment services live. Select one county from the drop-down menu.
