Number of ARORP-funded beds in your facility	14
--	----

How many physical ARORP-funded beds (whether they are full or not) are in your facility?

Number of people who have stayed in long-term, ARORP-funded recovery beds this quarter.	0
---	---

Example: There were five residents already in ARORP-funded beds when the quarter began. During the quarter, there were five new intakes. Two people left. Count 10.

From the question above, the number of people who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	0

Example: For the 10 residents in the example above, 7 had historically misused opioids. Count 7.

Number of NEW intakes who began to stay in long-term, ARORP-funded recovery beds this quarter	0
---	---

Example: There were five new intakes into ARORP-funded beds this quarter. Count 5.

From the question above, the number of new intakes who are in recovery for historic or current opioid misuse Opioids do not need to be the individual's primary drug of choice.	0
--	---

Example: Of the five new intakes in the example above, 3 historically misused opioids. Count 3.

Number of families who were reunited this quarter Count people who have reestablished a relationship with their family this quarter. Do not count people who already had a working relationship with their family coming into this quarter.	0
--	---

Number of people who received respite housing in ARORP-funded beds this quarter Count individuals who received respite housing (a stay approximately two weeks or less) while waiting to transition to treatment, mental health services, long-term recovery housing, etc.	0
---	---

From the question above, the number of people receiving respite housing who are in recovery for historic or current opioid misuse	0
---	---

Opioids do not need to be the individual's primary drug of choice.

What was the highest number of people in ARORP-funded beds during this quarter?

Example: If there are 10 ARORP-funded beds and all 10 were full one night, then count 10.

How many people were in ARORP-funded beds on the last day of the quarter?

The following questions ask about the people who left your facility this quarter. Please only report on individuals in ARORP-funded beds.

Number of people in ARORP-funded beds who moved to next phase of the program (and into a non-ARORP-funded bed), but not leave the facility	_____
--	-------

Total number of people staying in ARORP-funded beds who left your facility this quarter (discharged by organization, voluntarily withdrew, graduated, or relapsed)	0
--	---

Number of people who left the facility after staying in an ARORP-funded bed because they graduated the program this quarter	0
